MEMORANDUM FOR: Deputy Director, Intelligence Community Staff

FROM:

[redacted]
Director, Planning and Policy Staff

25X1

SUBJECT:

Proposed TDY Travel from 12-13 February 1985 - [redacted]

25X1

1. Action Requested: Request approval for [redacted] to visit the Army Missile Intelligence Agency (MIA) at Huntsville, Alabama during 12-13 February 1985. (U)

25X1

2. Background: The Intelligence Research and Development Council is in the process of conducting a study on the Indications and Warning Process to determine where the possible injection of advanced technology may improve the process. [redacted] has been invited to participate in discussions with members of the Council working group and MIA concerning MIA's advances in data base retrieval technology as pertains to the warning process. (U)

25X1

3. Recommendation: That you approve the travel requested. (U)

25X1

Attachments:

- A. Proposed Itinerary
- B. Travel Form 540B (S)

APPROVED:
